

ENRICHING THE PATH OF PROFESSIONAL DEVELOPMENT

The San Diego Organization of Healthcare Leaders (SOHL) is an independent chapter of the American College of Healthcare Executives (ACHE) — the premier international professional society for leaders across all sectors of the healthcare industry.

Our members are aspiring and established industry leaders from San Diego and Imperial County hospitals, health systems, insurers, managed care organizations, suppliers, consultants, volunteer agencies, academia, government and military programs, as well as students committed to healthcare management.

Established in 2001, SOHL is one of the fastest growing mid-sized ACHE independent chapters. Our organization has consistently been honored with ACHE's Award of Chapter Distinction and its Award for Sustained Performance.
